

# Compliance & QA Technologist

## **Overview:**

We have an exciting opportunity for a full time Compliance & QA Technologist to work within our Quality Team, based in Bournemouth.

## **Who we're looking for:**

We are a business who put parents & consumers at our heart, and this is a great role, where you will work within our Quality team to ensure all our foods are compliant and maintain the expected quality & safety standards.

You must be able to work cross-functionally at Organix UK, but also with the wider Hero Group and our Third Party manufacturers.

## **Must haves:**

We work in a fast-moving environment with tight deadlines and high standards, so you need to be someone who is able to adapt quickly to changing requirements, be curious and able to support.

You must be familiar with Food Quality Management systems and experience of working in a food manufacturing environment is desirable.

## **Other info:**

This is a full time role, based in our offices in central Bournemouth, Dorset. We offer a great working environment with lots of benefits. If you think this sounds like a great opportunity, we'd love to hear from you. Please send us your CV (including salary expectations) and a covering letter written in a style that you think is right for Organix. We'd also love to know what one key thing you would do if you got the job. If you have any questions or want to apply, please email us at [jobs@organix.com](mailto:jobs@organix.com).
