

Specification Technologist

Research and Development (R&D)
Baby Toddler Snacks

Overview:

Are you a passionate, challenge driven professional with a keen eye for detail and precision? We have an exciting opportunity for a full-time **Specification Technologist**, who will join our Baby and toddler snacks Research and Development team.

About the role:

As R&D Specification Technologist you will report into the Research and Development Category Manager for Baby, Toddler Snacks. Your experience will be invaluable as you support the team by leading the development and management of Specifications for the total Baby and Toddler Snacks category. Working alongside both our local UK team, Global colleagues, and external partners.

Who we're looking for:

Food safety and quality of Baby and children's foods paramount, we are looking for someone who is diligent and has the experience and skills required to fulfil this vital role of developing and maintaining a large portfolio of specifications for both internal and external use.

You need to be someone who relishes the challenges associated with this role, as well as being a collaborative team player to join a high performing, motivated team. The right person will be able to work cross functionally, have exceptional interpersonal skills as well as a "can do" mindset prepared to challenge the way things are done.

Must haves:

- Specification management experience in an FMCG.
- IT competency
- Effective communication skills - both written and verbal
- Organised, great attention to detail, with focus and precision
- Ability to work to tight deadlines and manage change

- Self-starter, ability to multitask
- Collaborative team player, able to build and manage relationships with multiple stakeholders

About Hero:

We are a business who put parents & consumers at our heart. Sustainable and ethical practices are a key function of our business.

We are proud of our values and creating a diverse and inclusive environment where people are empowered and can use their experience and knowledge to make a positive difference to our business.

We are an equal opportunity employer. All decisions are based on merit, competence, performance and business needs.

Other info:

Whilst this is a global Hero role you will be based in the UK Organix office. We offer a great working environment with lots of benefits and this role will offer a competitive salary. If you think this sounds like a great opportunity we'd love to hear from you. Please send us your CV (including salary expectations) and a covering letter. We'd also love to know what one key thing you would do if you got the job. If you have any questions or want to apply, please email us at jobs@organix.com

Location:

Bournemouth, Dorset. This is a hybrid-working role with some working from home and the successful candidate will be required to attend the office regularly. There may be occasional travel involved with this role.

Hours:

Full time, 37.5 hours per week. Monday - Friday.
